

ROPE RECYCLING BINS

A Pilot Program from the Collaborative Remediation of Abandoned, Lost, and Discarded Fishing Gear (ALDFG) in Southwest Nova Scotia

ABOUT THE PROGRAM

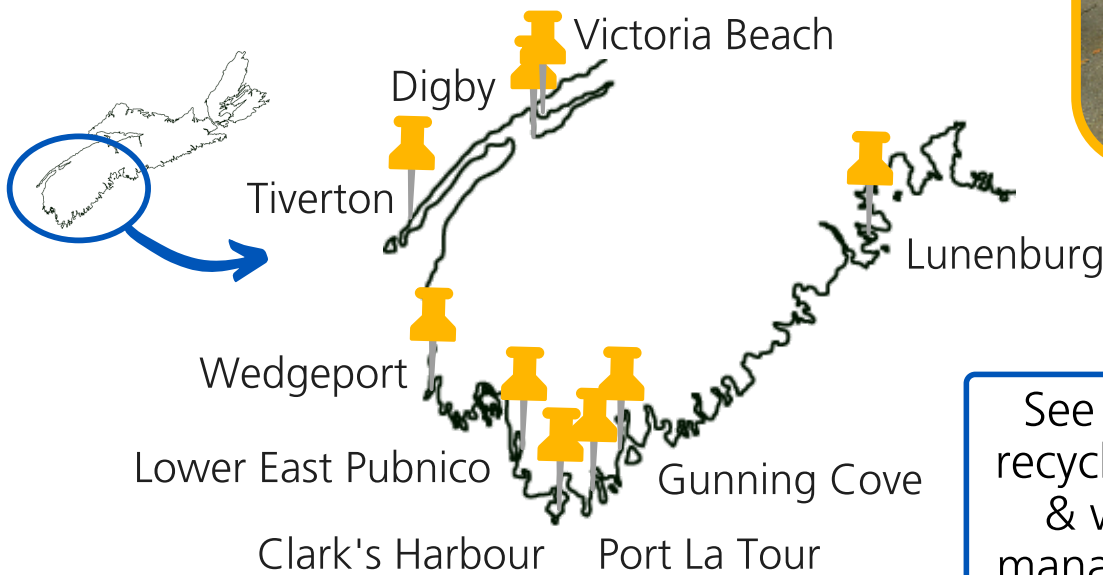

10 rope* recycling bins have been installed at wharves in Lobster Fishing Areas 33, 34, & 35 (NS only)

Collected rope will be **recycled*** into **synthetic diesel** at **Sustane Technologies**, in Chester, NS

Rope recycling bin

See reverse side for recycling bin locations & waste resource management facilities

MORE PROJECT INFO AVAILABLE ONLINE

www.coastalaction.org/ghost-gear

Rope only. No household waste, please.

Restrictions may apply. Materials will be responsibly managed.
